

# MISSION STATEMENT

Our mission at Adventure Planet is to provide the highest quality child care to our families. We endeavor to accomplish this through our “TEAM” Approach:

**T** *Teachers* are the cornerstone to high quality child care. We endeavor to employ qualified teachers with a minimum of two years experience in the classroom assigned.

**E** *Enrichment* activities are incorporated into each weeks lesson plan theme. Each teacher uses their experiences and expertise to creatively adapt these activities to meet their classrooms cognitive, emotional and physical needs.

**A** *Awareness.* The Adventure Planet staff understands that the needs and dynamics of each child and family are diverse. Therefore, we are committed to maintaining an awareness of the social and physical needs of each child.

**M** *Management.* The Adventure Planet owner’s are devoted to providing their time and resources, as well as, a knowledgeable staff to implement effective and efficient quality control procedures.
